Senior Research Scientist

Email: elena.petrova.fixture@example-test.invalid | Phone: +7 495 555 0134

Summary

Research scientist with 12 years of experience in applied machine learning for healthcare diagnostics, spanning academic and industry roles.

Publications (selected)

1. Petrova E. et al., "Applied ML topic 1", Journal of Example Research, 2011.
2. Petrova E. et al., "Applied ML topic 2", Journal of Example Research, 2012.
3. Petrova E. et al., "Applied ML topic 3", Journal of Example Research, 2013.
4. Petrova E. et al., "Applied ML topic 4", Journal of Example Research, 2014.
5. Petrova E. et al., "Applied ML topic 5", Journal of Example Research, 2015.
6. Petrova E. et al., "Applied ML topic 6", Journal of Example Research, 2016.
7. Petrova E. et al., "Applied ML topic 7", Journal of Example Research, 2017.
8. Petrova E. et al., "Applied ML topic 8", Journal of Example Research, 2018.

Experience

Page 2 of 3

Principal Research Scientist, Aperture Health AI, 2020 - Present

Research Scientist, Black Mesa Diagnostics, 2015 - 2020

Postdoctoral Fellow, Example University, 2013 - 2015

Skills

Python, PyTorch, Clinical trial design, Statistical modelling, Grant writing

Education

Page 3 of 3

Ph.D. Biomedical Informatics, Example University, 2013

M.Sc. Computer Science, Example Institute of Technology, 2009
